REFERRALS

*Jeff is an incredible musician. But beyond that... He is 100% someone I can count on!! He has great stage presence, is extremely easy to work with and I would take him anywhere. Easy to tour with and always delivers. I'm privileged to be able to work with him. And count myself blessed to know when it comes to Jeff, you get the best there is. - **Marlene Brehm** (Contemporary Christian Artist, Signed to EMI, Dream Records) www.marlenebrehm.com*

*Jeff is a wonderfully capable and creative guitarist, and I've enjoyed recording and playing with him. He always brings fresh ideas to the table and is the kind of player you always want to have on your session. - **David Das** (Composer/Producer) www.daviddas.com*

*Jeff Aulich, a brilliant musician and guitar player. Well-versed in all styles and bringing strength and musicality to every tune and in every take. I am truly thankful for each and every opportunity I get to have a musical collaboration with this guy! He's the real deal for sure! - **Jermaine Stegall** (Film Score Composer) www.jermainestegall.com*

*Jeff is talented, competent, creative and a great guy to hang out with. He "gets it" from either side of the glass, and on the stage. You should hire him while you can still afford him. - **Brian Steckler** (Producer/Mixer) www.briansteckler.com*

*It was a great blessing to have Jeff on lead guitar at a recent concert. He is not just a skilled guitarist with great feel and musical taste, he is also extremely professional and timely. I look forward to hiring him again! - **V. Reyes** (Singer/Songwriter) www.vreyes.org*
